SIR

Extension of the limits of Arinivaspur Muncipality
Kolar District

I have the honor to state that the Arinivaspur municipal Council have resolved, in their meeting held on 23-10-1935, that the existing municipal limits of the town may be extended on the south so as to include the Rice Mills now lying outside the municipal boundary and thereby secure better control over octroi since there are chances of dutiable articles being stored in the mills and smuggled into the town

The enclosed map showing the present and the proposed area shows that the mills are located just by the side of the Kolar road and the railway station on one side and about Mulbagal Poed on the other side

A Barnada copy of the draft notification calling for objections to the proposed extension under Section 4(2) of the Regulation IX of 1933 is also enclosed

I request that you will be so good as to move Government to finally cause the publication of the notification in the official Gazette under Section 4(1) of the Municipal Regulation

Copy of the resolution of the Council is also enclosed for favour of reference

I have the honor to be
Sir,
your most obedient servant.
